MURPHY, the Jeweler.

Among the recent bookings at the Opera-house for early dates are "In the Palace of the King," "The Devil's Auction," "Peck and His Mother-in-Law," the big musical comedy, Agnes Ardeck in "Under the Royal Oak," and "The Professor's Love Story." Each one of the above are first class and Maysville theater-goers should appreciate the theatrical treats that are in store for them.

MUSTN'T INTERFERE.

Labor Unions Have No Right to Obstruct Conduct of Business.

In the Federal Court at Covington Judge Cochran a few days ago handed down a decree granting a permanent injunction against members of the Clothing Cutters and Trimmers Union Local No. 100 and of the Garment Workers of America and of the American Federation of Labor from in any way interfering with or threatening to interfere with the firm of Mayer, Scheuer, Offner & Co. of Cincinnati. The conduct of the Union men complained of by the firm was the sending of circulars to their customers intimating that the Company was unfair to their Unions.

A FRIENDLY FLY.

It Caused One Man to Almost Wipe Out a Church Debt.

We heard a good one on Commonwealth's Attorney Ed. Daum the other day.

To get at the gist of this story you must understand that Ed's dome of thought is as bare of hirsute as a billiard ball is of feathers, and it is also universally understood that nowhere on earth can a fly find more satisfaction and enjoyment than when it is nesting on a bald pate, feasting, as it were, in perfect bliss.

Brother Daum, besides his other good qualities, is a Church goer as well as a Church giver. Not long since somewhere in Bracken county a new Church building was erected, and among the first larger contributors to the building fund none stood higher on the list than did the name of Sir Edward.

On the day of dedication quite a deficit remained, and as is usual on such occasions the Preacher is expected to raise a sum sufficient to liquidate all outstanding indebtedness before the house of worship can be properly dedicated and turned over to the stewards, and appeals for money on such occasions are expected and looked for.

After the Preacher had soared in lofty flights of eloquence and come to the main point on the program—so far as Brother Daum was concerned—where brethren were asked, "Who will give \$5?" up went Brother Daum's hand.

Of course, the good Brother called out, "Brother Daum gives \$5."

In the meantime the fly that had been nesting on his cranium began to get in its work, and up went Ed's hand with a vicious swipe at the fly. The Preacher, ever on the alert, saw the movement of the uplifted hand and again called out, "Brother Daum gives \$5 more, bless the Lord."

Thus matters went until Ed. was in the hole for \$35 or \$45.

Every time that fly nipped up went Ed's hand, and at each uplift he was called out for \$5.

The congregation was pleased as well as surprised at our Commonwealth Attorney's liberality, and none were surprised that his good wife, who sat by his side, and at last exclaimed: "My goodness, gracious, Ed.; let us leave here before they bankrupt you!"

A word to the wise, in this instance, was sufficient, and Ed. got up and went, lighter in purse, of course; but then he has only lent to the Lord and made his election at the throne sure.

Sure he has.

\$100—Reward—\$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O., Sold by Druggists, 75c. Hall's Family Pills are the best.

The Chesapeake and Ohio Depot and immense freight house at South Portsmouth were destroyed by a fire which broke out at 10 o'clock Monday night. The freight house was filled with goods assigned to Portsmouth merchants, and the loss entailed will reach many thousands of dollars.

Referring to personal notice to every member of the Mason County Medical Society, the next regular meeting will be held in G. A. R. Hall at 12 o'clock sharp, Saturday, 31st October, after which entertainment to county members and invited guests, as advised. A full and prompt attendance is desired.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by J. Jas. Wood & Son.

Do Good—It Pays.

A Chicago man has observed that "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it. Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: 'Only good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger what ever from pneumonia when you use that medicine. It always cures. I know it, for it has helped me out many a time.'" Sold by J. Jas. Wood & Son.

A Woman's Credentials!

To society are signed by her shoes. No fashionableness of costume will cover a neglect of footwear. But with the hands and feet properly encased, she cannot go far wrong. How disappointing, after approving the details of a lady's dress, to spy a pair of rusty, dirty, unstylish shoes. It takes away all the charm. The one thing that such a woman needs is the "style of a Dorothy Dodd" shoe. With this passport you escape all criticism.

The Times-Star notes that there is a sign on a building at Hazleton, Pa., "Clothes mended in the rear." Nothing astonishing about that; then there's a sign in Vine street, Cincinnati, "Shoes mended while you wait in first class style."

In New York another indictment has been returned against SAMUEL PARKS, the Walking Delegate. CONSTITUTIONAL AMENDMENT

To Be Voted On at the November Election.

CHAPTER 50.

An act to provide for an amendment to Section 181 of the Constitution of Kentucky.

"The General Assembly may, by general laws only, authorize CITIES OR TOWNS OF ANY CLASS to provide for taxation for municipal purposes, on personal property, tangible and intangible, based on income, licenses or franchises, in lieu of an ad valorem tax thereon;

"Provided, cities of the first class shall not be authorized to omit the imposition of an ad valorem tax on such property of any steam railroad, street railway, ferry, bridge, gas, water, heating, telephone, telegraph, electric light or electric power company."

Dieting Invites Disease.

To cure Dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one craves to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by J. J. Wood & Son, Druggists.

Though there are only 18,000,000 people in Spain, there are nevertheless 35,000,000 in America speaking her tongue; and then, according to "Fighting Bob EVANS," Spanish is the Court language of Hell.

The Atlantic Transport Line recently had four similar ships built—two in Belfast and two in Philadelphia. The American-built ships cost \$1,875,000, while the Belfast ones cost \$1,450,000;—showing that the American mechanics got \$425,000 more than their British brethren.

J. P. ETOX, Republican candidate for Mayor at Waterbury, Conn., recently won by 1,000 over J. M. LYONS, Democrat and Labor candidate. The issues were plainly Unionism and non-Unionism; and as the Labor Unions of Waterbury had recently attempted some of their arbitrary methods, so-called Unionism got a black eye.

The purging of the registration lists has begun in Louisville. Seven Republicans were marked off and several others were marked to be questioned on election day. It will be interesting to watch if the lists will be purged of the 42 Democrats who registered from a four-roomed bawdy-house in Tenth street.

"Trusts increase costs," is a favorite Democratic wail. Certainly. Look at the Standard Oil Company selling oil at 9 cents a gallon; it formerly sold for 40 cents. Look at the Democratic Sugar Trust, selling granulated sugar at 5 cents a pound, when it was 11 cents a pound before the Trust got hold of it. Oh, yes; "Trusts increase costs."

A REPORT made to the American Bankers Association, now in session in Chicago, declares that there is more actual money in circulation in the United States than ever before, the per capita circulation having increased in the past year from \$28.55 in 1902 to \$29.60 in 1903. And all this in spite of Mr. BRYAN's vehement declarations that the throttling of his free silver foolishness would ruin the country.

M. W. LORIS, a former Cincinnati man, says his dismissal from the Postal service was due to Mr. BRISTOW's enmity toward former First Assistant Postmaster General PERRY S. HEATH, and that "Bristow wanted the place for one of his favorites." After all, it may turn out that Mr. Fourthrate Bristow is about as big a fraud as he is a boor. Fleming county can well afford to let Kansas have all the credit for this nincompoop.

SOCIAL EVENTS

At the cozy and hospitable home of Mr. and Mrs. A. J. Boyd in Forest avenue Monday night a large party of young ladies and gentlemen gathered, upon invitation to meet their visitors, Miss Eva Taylor of Millersburg and Misses Addie and Lettie Raymond of Mayslick, the latter being sisters of Mrs. Boyd. Music, conversation and delightful refreshments made the time pass swiftly, and at an early hour Tuesday morning they bade a reluctant adieu to host, hostess and visitors.

SUES ON NOTE.

Neat Sum Involved in Suit Just Filed at Louisville.

The First National Bank of Louisville has sued the Fidelity Trust Company, as Executor of the will of Watson A. Sudduth, and Henry L. Stone, as surviving partner of the firm of Stone & Sudduth, on a note for \$3,000, and interest subject to a credit of \$1,302.75.

On October 27th, 1897, Mishach Story delivered his note for \$3,000 to H. L. Stone and W. A. Sudduth, in the name of the firm, payable one year after date. Before the maturity of the note, it was discounted by the bank and endorsed by Messrs. Stone and Sudduth.

When the note fell due, it was placed in the hands of Stone & Sudduth for collection, and they brought suit against Mishach Story's Executors in the Fleming Circuit Court.

A judgment was secured, and on account of the condition of the Story estate only \$1,302.75 could be collected and paid to the bank October 26th, 1900. Demand had been made on the Fidelity Trust Company for the payment of the balance and refused.

Mrs. Rosa Adams, niece of the late General Roger Hanson, C.S.A., wants every woman to know of the wonders accomplished by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I cannot tell you with pen and ink what good Lydia E. Pinkham's Vegetable Compound did for me, suffering from the ill peculiar to the sex, extreme lassitude and that all gone feeling. I would rise from my bed in the morning feeling more tired than when I went to bed, but before I used two bottles of Lydia E. Pinkham's Vegetable Compound, I began to feel the buoyancy of my younger days returning, became regular, could do more work and not feel tired than I had ever been able to do before, so I continued to use it until I was restored to perfect health. It is indeed a boon to sick women and I heartily recommend it. Yours very truly, Mrs. ROSA ADAMS, 819 12th St., Louisville, Ky."—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

BOARD OF TRADE, Maysville, Ky.

THE CONSTITUTIONAL AMENDMENT.

It Will Not Change the Law As to the Limit of Debt or Tax, But Is Intended to Regulate the Mode of Taxation.

Mr. Editor: The Amendment to the Constitution to be voted on in November does not change the present law as to the limit of debt or tax that can be incurred by cities and towns. It simply gives the Legislature the power to pass a general law by which cities may regulate the mode of taxation. At present the Assessors of cities are confined to the ad valorem system, that is, they ask the citizen as to the value of his personal estate, and the assessment is made at that value. If the Amendment carries, the cities, if they so desire, can tax personal property, based on its income, can tax trades, occupations and professions by license tax and can have a tax on franchises. There can be no double taxation, but the taxing powers can vary the mode and manner of taxation, adjusting the taxes so as to be equal and just and at the same time prevent transient business enterprises from dropping into our cities between the taxing season, picking up the cream of the business from our permanent merchants and taxpayers and then departing without contributing anything to the general welfare.

It will also enable our cities to encourage capital and manufactures to locate within their limits by exempting them from city taxation, provided they will expend certain sums and give employment to a certain number of men.

No state in the Union has such a system of taxation as Kentucky save Ohio, under which our system was patterned, but Ohio votes on an amendment to repeal that system in November next, having seen the ill effects of same.

"At first blush" it seems unfair to tax the house and lot of the workingman and exempt the big plant of the manufacturer, but in many of our cities how will the workingman ever obtain a house and lot unless he has constant work in a manufactory?

How are Kentucky cities to get these factories unless we exempt them from city taxes, as Massachusetts, New York and Pennsylvania cities do?

How much better off would Maysville be if we could induce manufacturers to locate here and give employment to our sons and daughters, and give a market for all the produce that Mason county farmers can raise? How many families in Maysville and Mason county have grown children around them? Why do they have to send them East or West for employment? Simply because we have no manufactures and can offer no inducements for their location in our city.

Vote for the Amendment and give our cities a chance to compete with cities of other states.

MILLIONAIRE'S POOR STOMACH.

The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. At Henry W. Ray's, next door to Postoffice.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A Perfect Painless Pill

It is one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure indigestion, and give a softness to the mouth. The famous little pills for doing such work positively and effectually are DeWitt's Little Early Risers. Beware of cheap imitations. "All their pills I have used—gripes and colic, while DeWitt's Little Early Risers are simply perfect." Said by J. J. Wood & Son, Druggists.

MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the

KODOL

Weak Hearts
Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol

Digests What You Eat
Mrs. Loring Nichols of Penn Yan, N. Y., writes: "After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured."
Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammeled action.
Bottles only \$1.00. Size holding 2 1/2 times the trial size, which sells for 50c.
